TO THE USERS OF GASOLINE

Existing conditions as to hand- ling of gasoline and the small margin of profit allowed, forces us to adopt a plan of CASH ON DELIVERY FOR ALL GASOLINE.

As announced in the Commonwealth the above terms are effective from March 1, 1918.

We earnestly solicit the co-operation of the users of gasoline and request that you do not ask us to break our rule in your case as we will have to respectfully refuse to do so since these are the terms adopted by the gasoline dispensing stations of the town.

But, we propose, for your convenience and profit also, to sell for CASH coupon books of \$5.00 or more at 2 per cent discount. These coupons will be accepted at face value for gasoline or cylinder oil.

We appreciate the patronage with which you have so liberally favored us and ask the privilege of serving you in the future not only for your gasoline and cylinder oil, but also your hard- ware and farm implements.

Yours very truly,
Josey Hardware Co.

The Sixth grade met Wednesday afternoon with Miss Mary White pre- siding, and organized a War Savings Society.

Miss Elizabeth Edwards was elected president while Mr. Charlie Herring was elected secretary. The name chosen by the grade for the society was "Excelsior."

The purpose of this society is for the sole purpose of talking to every body about War Stamps and Thrift Stamps, asking them to pledge some sum to these stamps.

High Soap Prices Arouse Interest in Home Made Soap

Women all over the country are saving money by making their own soap. Try this:

First, set a large can or jar in your kitchen; throw into it all meat skin, waste grease, bones and other kitchen scrap that has any grease in it or on it.

When the can or jar is full, render it (by boiling) and you will obtain enough clear grease to make a big batch of dandy soap, cheaper and purer than any you can buy.

With Grease and Red Devil Lye

You will find home soap-making so easy and economical that it will be a genuine pleasure. On the label of every can of Red Devil Lye are complete directions for making soap by the cold process or by boiling.

Anybody Can Make Soap

if they have Red Devil Lye and grease. Furthermore, soap making at home pays big because you buy nothing but Red Devil Lye—the other ingredients are actually saved out of the waste that you have been throwing away. You will thank us every time you use Red Devil Home Made Soap.

Gentlemen:—Please send me your free booklet on peeling peaches, spraying fruit trees, making compost, etc. I cannot help but tell you how pleased I am with Red Devil Lye. Give great results in making my soap. Yours truly,
Feb. 2, 1918. F. L. H. W. EDGE.
